INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys might notice a certain letter in *Dear BARELY LEGAL* this month: a regular reader named Lennart wrote, "I would encourage you to write more about what (young) men can do to make sex more pleasurable for both."

That got me thinking about a question that's always on my mind. Okay: should girls tell guys what they want in bed? Or is that too bossy? For me personally, I like when guys take charge. BUT—if a guy is licking my cooch and I want him to lick faster 'cause then I'll have a giant orgasm...what should I do? I never know!

Our August girls can totally relate. For instance, Diana likes when guys fuck her mouth *hard*. Should she tell them? If a guy is tonguing Teagan's pussy, should she ask him to please scootch down and do her b-hole, too? Lexi loves when guys come all over her ass. How can she let them know? *Should* she let them know?

You guys, this is a question that has tortured all girls for centuries. But we BL girls are lucky—we have you. Can you help us?

xxx Lindsey

RUBY

(im)pure imagination

Stacy the intern here with seriously cute college freshman Ruby. I have a feeling she's going to get an A in creative writing!

That's some outfit, Ruby.

My little sister loaned it to me. I've never modeled before.

What made you want to try modeling?

I'm a writer, so it's important for me to explore different sides of myself.

What side are you exploring right now?

My dark, deviant side.

You don't seem dark exactly.

LOL! You haven't read any of the stories I've written for my creative writing class. I have very twisted fantasies. --->

Tell me some of them.

Okay, in one I'm with my stepdad...

Ruby, that's nasty!

Not if it's just in my head! Anyway, we're out in the garage and I'm on my knees on the dirty floor sucking his cock while my mom is in the kitchen innocently washing dishes. In another one, he bends me over the dryer down in the basement and fucks me from behind while I watch the timer, hoping I climax before the buzzer goes off and my mom comes down to fold the laundry. It's erotic *and* suspenseful.

Does your stepdad know you feel this way about him?

No! I would never let him read my stories. I want him to stay a fantasy.

What else do you write about?

Well, as a matter of fact, I just wrote this story where I meet with my creative writing professor after class and *somehow* I end up on the floor of his office on all fours, begging him to break my butt-sex cherry.

Ruby, he's going to read that!

I know! I don't want *him* to stay a fantasy. ★

APRIL 2012 PANTY CONTEST WINNER!

J.M., you sure know your way around a pair of panties! Yuri's are on their way to you.

Dear BARELY LEGAL,

To receive the worn panties of a young, nubile cherub of Yuri's stunning beauty and sexuality would be the most erotic, exciting, and stimulating thing that has happened in a long time. To be able to experience the intimate scent of this angel's beautiful sex is so inspiring. I would expect her scent to be a wonderful combination of youthful freshness and musky experience.

Contrary to popular belief, a scented treasure like this should not have a nose jammed into it and be snorted like a cheap drug. Rather, the panties should be placed gently on the upturned face and lightly inhaled, like a delicate flower. In this way, one truly experiences and appreciates the wonderful aroma.

Also, they should never be licked. To properly taste them, first you must find the right spot. Normally, it is not the brown one (normally), and not the red one, either. The most desired spot is the slightly yellowed and possibly crusted one. This spot should be placed on the

moist tongue and remain for about 30 seconds. When the delicate delight is removed, a faint but distinct taste of the honeypot should remain. And with any luck, a pube or two. I so love girls with a small trimmed bush!

As far as my own pleasure, I would have previously oiled my member well. And, as my experience with the dainty panties caused my cock to grow, my hand would be wrapped around it. But rather than stroke it, my hand would remain still as my hips move...know what I mean? (Wink, wink.)

J.M.

Rhode Island

Dear BARELY LEGAL,

As the winner of Aubrey Belle's panty contest (February 2012), I wish to thank everyone associated in the selection of my winning them. I have used the panties to masturbate with numerous times to Aubrey, as well as to so many other nude models, or even women on TV who, like Aubrey, are beautiful with some incredible bodies and legs.

Looking through *Playboys* from 20 to 35 years ago, each year seemed to have about three or four Playmates that would be deemed worthy of jerking off to in my book. Heck, you have at least that many in every issue for me to use the panties on.

W.S.

Thanks, W.S.! I wish we could give you a thousand pairs of panties!

Dear BL,

What a fantastic sight to see a beautiful blonde like Sam from your December 2011 issue. I love to see a hot 18-year-old like her with that totally hair-covered pussy. I agree with her that half the fun is to search for that pleasure spot. I also love the feel of those silky pubes while per-

forming oral. The other hottie from that issue was Pepper. That awesome red mane with matching muff hair and that beautiful swollen clit—what a turn-on. I would love to give that clit the rough tonguing that she so much enjoys and deserves.

R.S.
Ontario, Canada

R.S., get ready for another fantastic sight—Sam is back next month, in our Anniversary 2012 issue, and her pussy is still totally covered!

—Lindsey

Dear BARELY LEGAL,

As a longtime reader, I have been feeling more and more left out. Where has the memory of Clive McLean gone? He made BARELY LEGAL a household name. He let the girls be shaved and modern, not pleading with them to be hairy and '70s. I don't want that, and no real girl today does that. The BARELY LEGAL Classic pictorial should also show favorite classic bald beavs, please!

And another change I find unsettling: where has the penetration gone? Today's girls don't want inside love? I miss the solo and lez fingering, vibrators, and tongue penetration of the early 2000s. Please, this is turning into BARELY LEGAL, '60s edition.

Strider
by Internet

Strider, I hate that you feel left out. I don't want any reader to feel left out! That's why I try so hard to find girls who don't shave. You can't even believe how many letters we get begging for bush!

We also get tons of letters saying NO to vibrators and fingers. We still show penetration sometimes, but I know it's not enough for the guys that really, really want to see it. Argh! I wish we could do ten different versions of BL and make everybody happy all the time!

—Lindsey

Dear BARELY LEGAL,

Wow, that two-page spread of Bella (March 2012) was very great. I've been doing you-know-what every day since I got the issue.

D.H.
by Internet

No—what? ;)

—Lindsey

Dear Lindsey,

Just received my March issue of BL. The beauty just keeps coming issue

after issue. I agree with what you said about some girls and BJs (*Inside a BARELY LEGAL Girl*). There are plenty of guys out there who won't lick or tongue a pussy or buttole because they say they smell or they aren't clean. Me, I love to lick or tongue pussy or a buttole. It's all part of making your girl feel good and getting her all wet.

R.G.
Montana

Dear Lindsey,

It occurred to me while reading your editorial on blowjobs that even though girls and guys are vastly different, they have very similar views about oral sex. There are a lot of guys who think that eating pussy and licking buttole is nasty. Some guys will not kiss a girl after a blowjob. I think that pussy eating is an art form. Simply stated, I love it, and it's a great gift of pleasure to a lady. In my love shack, eating pussy is always on the menu.

M.A.
Kentucky

R.G. and M.A., I love getting the man's point of view when it comes to licking pussy—thank you! It makes me sad that some guys don't love to do it (just like I'm sad for girls missing out on BJs), but everybody has to do what makes them happy.

And now that I've heard from you—I want more! What about you other guys out there? Do you like to lick pussy?

—Lindsey

Hi Lindsey,

Just received my March issue. I enjoyed reading your comments about BJs. I would encourage you to write more about what (young) men can do to make sex more pleasurable for both. You certainly have an audience who should be very willing to listen to you.

Please keep up your good job selecting young women. I appreciate the fact you have not forgotten your readers who enjoy photos of the vagina in its natural state. Especially combined with the anus shot, like Eva's in this issue.

Lennart
by Internet

Thank you, Lennart! I'll try to think of more sexual topics to write about in my editorial. But first I have a very important question. Please see Inside a BARELY LEGAL Girl, page 3!

—Lindsey

A photograph of a blonde woman, Teagan Summers, in a bathtub. She is leaning forward, with her back to the camera, and her legs are in the soapy water. She has a white flower in her hair. The bathtub is white and filled with white foam. On the edge of the tub, there are several decorative items: a tall yellow candle, a purple candle, a purple vase, and some small stones. In the background, there is a window with white frames and a wicker basket on the left. A purple banner is in the top left corner with the text 'TEAGAN SUMMERS' and 'happy ending' below it.

TEAGAN SUMMERS

happy ending

Hey, it's Lindsey. Super starlet Teagan dropped out of porn soon after appearing in our March 2011 issue. No, she didn't suddenly get shy. She went back to college!

Hey, Teagan! I hear you have big news.

Yes, I finally graduated! Felt like it took *forever*.

Did you have tough classes?

Mostly they were okay, but, omigod, anatomy and physiology were *so hard*.

I think a certain part of the anatomy is *always* hard around you.

Aww, thanks. LOL!

What was your favorite class?

Massage therapy, definitely. It was lots of fun.

Do your boyfriends and girlfriends get free massages from you?

Yes. And I always give them happy endings. :)

How is your sex life these days?

Well, I'm having a lot *less* sex now that I'm not doing porn. But it's still super dirty!

What's the dirtiest thing you've done lately?

I was in a threesome with a guy and a girl, and the guy came in my mouth, and I kissed the girl and squirted it into her mouth, and then she squirted it all over my tits. I love making a mess with jizz!

A blonde woman with long, wavy hair is posing in a bathroom. She is covered in white soap suds, particularly on her chest, arms, and legs. She is smiling broadly at the camera. In the background, there is a window with white frames and a view of greenery outside. To the left and right of the woman are purple glass vases containing colorful flowers (purple, red, and blue daisies).

Is there any dirty thing you won't do?

I'm still not into anal—but I love when someone licks me down there. I always keep my butt hole nice and clean, just in case. ;)

Do you return the favor?

Of course! I'm still good with my tongue.

Do you miss doing porn?

I miss making lots of people feel good. But I'm ready to move on.

What will you do instead?

Make people feel good one at a time! ★

LEXI BLOOM

calling all nerds!

Ensign Stacy of the (porn)starship BARELY LEGAL here with Lexi Bloom, the hottest nerd you will ever meet!

Hey, Lexi! Does posing nude make you feel hot?

Yes—but not as hot as I feel when I'm in costume.

Like what kind of costume?

At the moment my favorite is Princess Leia.

Ooh, the gold bikini?

Pfft. So obvious. No, Leia's white dress from *Episode IV*. I made it myself.

I guess some guys might find that costume sexy.

They definitely do! Especially when I don't have any panties on underneath.

What do you find sexy?

Confidence and nerdiness.

Aren't those total opposites?

It depends on where you are and who you're with. If you're with a group of nerds, there's always a few confident guys, just like in any group.

Where do you run into groups of nerds?

Mostly in comic book stores and at sci-fi conventions.

Omigod, the floor must be a sea of drool when you walk in!

Nah, I'm just another nerd.

Sure. Do you like to give BJ's?

Love. It's so much fun!

Are you a spitter or a swallower?

Swallower. Spitting is stupid.

AGE: 20
HEIGHT: 5-1
WEIGHT: 98 POUNDS
MEASUREMENTS: 32C-24-36
HOMETOWN: PORTLAND, OREG.

Where do you like a guy to come?

All over my ass. :) I like to be covered in sperm.

What would be your dream date with a guy?

Watching a *Star Trek* marathon while eating cupcakes that I baked.

What is it that you love so much about nerds?

I love their scrawny little bodies and their big heads filled with brains.

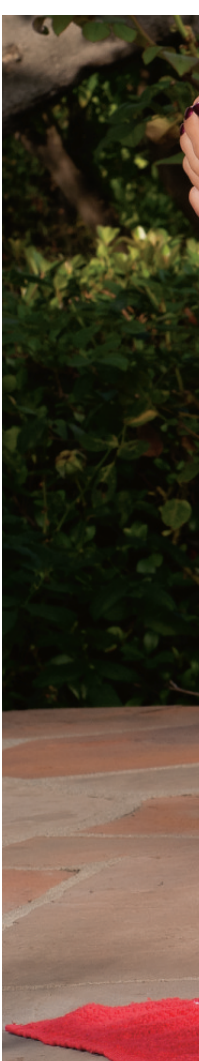

But are they good in bed?

They're *amazing* in bed. They're super horny, and so sweet. Not a lot of girls know that—which is great, because it leaves more for me!

I want to close by saying, Lexi, you are frakking hot.

LOL! Thanks, but I prefer the original *Galactica*.

Sigh. I'll never be nerdy enough for you...★

LEXI'S PANTIES!

To enter the contest, all you have to do is send us a letter saying *why* you want Lexi's panties and what you plan to do with them. ANNA

after-school masturbator

Practice makes perfect,' my teachers always say. If that's true, I'll be the best fuck in town as soon as my parents let me out of the house.

"My parents grounded me on my 18th birthday two weeks ago. My girlfriend and me had persuaded some guys to buy us some beer at the convenience store. Everything went smooth. They invited us into their van. We rode around, drinking brews.

"One of the guys told me his name was Sean and put his paw under my shirt and felt me up. The stereo was blasting 'Whole Lotta Love' so loud, the vibrations made my nips hard. Sean flicked his finger across my nipples and unbuckled his pants. He took out his dick and let me touch it. I'd never really seen a dick before, except when I happened to catch some dude taking a piss in the cemetery where we do our partying. Sean's pud was already hard. I poked it with my finger, and it kind of wagged around. My underpants flooded with clam juice. I wrapped my fist around the prong and jerked it up and down. Sean said, 'You're doing it too hard. Just watch.'

"I couldn't believe I was actually watching a guy play with his wiener right in front of me. Sean didn't even seem embarrassed. He displayed his cock with pride. Sean held it straight up so I could see how long it was, then aimed it at my face like a gun. He stared with fascination as his schlong grew harder in his hand. I watched him move up and down the shaft, taking the loose skin between his fingers and wanking it real fast.

"I wanna try,' I said, rubbing lotion all over my hands. I was determined to jerk Sean off better than he could wank himself.

"Naw, I have an extra-special job for you, little hoochie,' Sean replied.

"Just as he was showing me how to do him with my mouth, his buddy was pulled over for weaving. Turned out the van was stolen, and my beau was wanted on three strikes. My dad was steamed when he bailed me out of jail.

"Now I have to come straight home after school and go to my room. I can't get over what a blast I had with that guy in the van. I shut my eyes and pretend he's touching me all over. I pinch, poke, lick, suck, and squeeze myself, pretending it's him. I close my eyes and spread my legs. I imagine Sean straddling me with his woody in his hand. I can see it swell up as he strokes it and cradles his balls while he jacks off. My mouth waters. I want the taste of his prick and his stringy wad so bad. I imagine the weight of his tight, fuzzy ball sack banging my chin as he pumps my mouth. I reach down and slide my fingers across my slick slit.

"Yeah, let me see you fuck yourself,' I imagine Sean saying. 'You like that, hoochie? Does it feel good?'

"I finger myself until I'm warm and wet. I love the taste of my own cum. It smells really musky, like sweat, but tastes a lot sweeter. I lick my fingers one by one, pretending Sean is kissing me after feasting on my cunny.

"I rub my pussy drool all over my thighs and face, pretending Sean just shot his monster wad across my lips and cheeks. I can almost taste his jizz. My box explodes, and I shove my fingers inside my slot, riding them as if they are a stiff dick. ----->

PHOTOGRAPHY BY TERRY MUNNS

"Sometimes I go in the shower and bring my CD player. I turn on 'Whole Lotta Love' and use the shower attachment on my cunt. I love the shower massager that shoots out blasts of hot water. I punish my clit with it until I have to step out of the shower and use the special dildos I ordered from the back of my dad's dirty magazines.

"I'm such a slut. I ordered three models. I named them all Sean. Big Sean slides up my squishy. It has a slow, circular motion that lights my box. Medium Sean fits in my mouth and gives me something to satisfy my dick-hungry tongue while I'm nailing myself with the big horse dick. And the last, Little Sean, is for my asshole. I never realized how good it feels back there. I'm just a beginner, so my virgin butthole can't take much more than a finger-size phallus.

"If I could masturbate my way out of being a virgin, I would. By the time Sean gets out of prison in 2087, I'll be the best little hoochie in the whole world.

"I don't know if I can hold out that long. His buddy who was driving the stolen van had a clean record, and he's out on bail. I gave him my address, and he promises he'll break into my bedroom tonight after my folks are asleep. My parents are so dumb—I'll show them for trying to ground me." ★

Hey, everybody! It's been a while. Remember me from November 2008 and December 2009? So excited y'all asked me back! Can you believe I'm 21? Finally, I can drink legally—LOL! Plus, I'm in my last semester of college. Soon I'll graduate with an interior design degree. YAY! Sooo ready to stop studying and start decorating houses!

I love college, though. It's much more than book learning. It's about experimentation and self-discovery. I was kind of shy in high school, but I'm much more comfortable these days. I've tried tons of new things—a weekend in New York, snorkeling in the Florida Keys, licking pussy.

LOL! It's true! I've always been attracted to girls (NOT gay—bi maybe), but I was too shy or hung-up to act on my yearnings. I messed around some, but nothing like what I shared with Tracy, my roomie.

Tracy looks like Kristen Stewart. *Drool*. I LOVE *TWILIGHT*!!! OMG, I want a threeway with Bella and Edward. I thought I'd faint when I met Tracy. I was like, *Is this seriously my roomie?*

We hit it off instantly. We're both fun girls who enjoy a party but are just as happy to hole up with a pint of Chunky Monkey and a pile of DVDs—sci-fi, preferably. I know, I'm a geek! Might love sci-fi more than *Twilight*!

The first night Tracy and I fooled around was in the middle of watching the *Star Trek* remake. LOL—NERDY! It was hot, though. I was talking about how sexy Uhura was. I was like, "Is it way gay to say that I want to lick Uhura's pussy?" And Tracy was like, "Join the club!" We fell out laughing. Seconds later the laughter turned into, like, crazy girl-macking.

"Have you done it with a girl before?" Tracy said, slipping her hand under my shorts and tickling my pussy.

"A little," I said, shivering. "Not much."

She climbed off the sofa and knelt between my legs. She slid off my shorts and undies.

"I'm more lez than you." Her breath was hot against my cooch. "I love girls. I might not love anything more than licking pussy."

I don't love girls *that* much. I'm probably only, like, 20% gay. But I wanted Tracy's mouth. I was aching.

She started soft and slow, sliding her tongue between my pussy lips and flicking it against my clit. She'd stop occasionally, her mouth wandering over my inner thighs, down the backs of my knees. Who knew how hot it felt to have your legs licked—I was dripping! She was teasing me. It felt so good and at the same time I wanted to scream 'cause it was so frustrating.

Then Tracy got busy. She plunged her tongue inside my hole, mouth-fucking me. I bucked my hips against her face. She wrapped her lips around my pussy and sucked, her tongue deep in me. I twisted my fingers in her hair, pushing her face hard against my crotch. She slurped, tongue flicking up and down. My insides were welling up, my pussy bursting. I was going to come in her mouth and all over her face.

"Oh, fuck!" I wailed. "I'm coming!"

Tracy grabbed me by the waist. "Wait a second. I want you to come while you're sitting on my face."

She pulled me to the floor. I squatted on her mouth and rocked back and forth against her tongue.

"Oh yeah yeah *yeahhh*!"

My pussy was like, *Splooosh*! Tracy was totally glazed.

"Mmm," she sighed. "I love the way you taste."

From that night on, we were total besties. Not, like, *girlfriend* girlfriends, but def friends with benefits. We told each other everything. One night she shared her favorite fantasy with me.

"I want to watch a couple go at it while I just sit there and masturbate."

"That's kinda pervy," I said. "Hot too, I think."

"Yeah," she grinned. "I have this friend... What do you think?"

That weekend, we visited her friend Trent. I was nervous—I'd never met up with a total stranger knowing we were gonna hook up. Like a blind date, but for sex. But if he was Tracy's friend, he had to be cool.

I liked him right away. He was down-to-earth and had a great sense of humor. Plus he was a hottie. He reminded me of Chris Klein in *American Pie*. He was house-sitting for this couple he does landscaping for, and the pad was sweet. We all hung out by the pool and drank beer. Tracy suggested we skinny-dip. Can you believe I had never done that before? I know, lame! :D

"Isn't Dixie hot?" Tracy said, floating on her back, her peach-sized boobs bobbing.

"Even better than I imagined," Trent said.

I blushed. "I'm right here, guys!"

Trent swam over and slipped his arm around my waist.

"You look so good together," Tracy said. "You should make out." She climbed out of the water and sat poolside, toes wiggling in the water.

I felt shy for a minute, but melted quick. Trent was a great kisser. Good kissing is way up there on my list of what I need in a guy. I think it shows sensitivity. I like my men manly but sweet.

Trent slid his hands up my torso and cupped my tits. My nipples were like bullets. I rubbed my thighs against his. He slipped his hands onto my ass and lifted me, pressing my pussy against his stomach. I wrapped my legs around his waist. The tip of his hard dick nudged my clit. It felt so sexy, our bodies wet and floating. I pretty much forgot Tracy was even there, so I was startled for a sec when she spoke up.

"This is hot, but I need to see more of your bodies."

Trent carried me to the patio—isn't that sweet? He rested back on a cushy lounge and pulled me on top of him. He kissed my mouth and my neck, dragged his tongue through my cleavage and across my nips. I was covered in goose bumps.

"You should suck his dick," Tracy said. You can always count on that girl to say whatever she's thinking. She has, like, *no filter*.

Trent sat up and I knelt between his knees. He had a great-looking dick—long and thick, but not so big that it's intimidating. Too huge can be painful! :O

I gripped the base of his cock and dragged my tongue to the tip, kissing and licking. I dribbled a wad of slobber into my hand so I could stroke him. I like to use my hand and mouth at the same time. It's fun 'cause you're getting to do a handjob and BJ all at once!

"Wow," Trent moaned. "You know what you're doing."

Not to brag, but yes, I can handle a dick. 'Cause I love peens! :D

"That looks so good," Tracy said. "Makes me want to be a guy just to feel her BJ."

"You should be jealous," Trent said, pumping my throat.

"For real. Do you want her to fuck you?"

"Yeah."

Tracy squeezed her boobies. "Show me."

Trent stretched back on the lounge. "Ride it."

I climbed on top and grabbed his dick. I rubbed it between my pussy lips, slapped the tip against my clit. OMG, it felt good. I was basically using Trent as my own personal dildo. I could have made myself come just playing with his cock, but I wanted to feel him inside me. I rolled his tip against my hole and sank down.

"Ahhh," Trent moaned. "So tight."

I rocked my hips, squeezing his cock with my pussy muscles. He grabbed my tits and pinched my nips. I bounced up

and down, my boobs jiggling in his hands. I looked over at Tracy. She was spread-eagle, diddling her clit furiously. It sent me over the edge.

"I'm gonna come," I gulped, gripping Trent by the shoulders and pumping hard. I could feel his cock throbbing, ready to blow. We were *all* ready to blow. It was just, like, in the air. Pretty much all at once, everybody was like, *Aww ahhh waaaah! It was crazy.*

"That," Tracy panted, still spazzing, "was insane."

I laughed. "I am a porn star!"

Trent slapped my ass.

"Totally."

Now I had two besties with benefits. And I love them. Trent and Tracy are, like, the closest friends I've ever had, and there's no weirdness or jealousy. We have the BEST time, whether we're out nomming cheeseburgers or having a hot threeway. But it's different than having, like, a deep, intimate relationship. Part of me *wants* something deeper. I never had that. Then I met Dean.

It sounds crazy, but we met when I was getting an oil change at Jif's. Dean is a mechanic. I liked his grease-stained uniform. He was like, "You really need to watch the front passenger-side tire—the tread is low."

There was something about him saying that. He seemed to genuinely care. Plus he looked a little like Matthew McConaughey. I thought he might like me from the way he was looking, but he was too much of a gentleman to say anything. Something in me just, like, busted out.

"I get out of class at four. I'll pick my car up then. You want to go have some chicken wings after?"

I know. BRAZEN! But there really was something about him. Plus, Southerners love chicken wings, so it's not like what I was saying was that weird.

"Sure," he said.

My car was ready to go at 4:30, but Dean insisted on driving, 'cause he's gentlemanly. We hopped in his truck and rolled over to Wing Ding's. We didn't need to talk much. I knew he wanted to ask me home, but was too shy to say it. I could see it in his eyes. So I was like, "You live close by? I'm tired and my dorm is far away." (Yeah, ten minutes—LOL!)

Dean has a cute little house on some land just outside Atlanta. There aren't many people around. We sat on the porch swing and watched the sunset. I felt all romantic and

horny as hell. He wrapped his arms around me and pressed close. I put my hand on his hard dick. Kind of a shy guy, Dean, but his cock was *raging*.

"I'll suck it for a minute."

I crouched between his legs and slurped his dick. It was throbbing and gushing pre-cum. I throatied it. He had such a tasty dick. It was making me insane. All kinds of secret desires were busting out. Without even thinking, I was like, "Dean, do you want to fuck me in my booty-ass?"

WTF! But I meant it. And I'm glad I asked.

I perched on all fours, right there on the porch, in the twilight, crickets chirping. Dean pulled my dress up over my waist and yanked my panties to the floor. He slid his tongue between my pussy lips and through my butt crack. He slurped back and forth from pussy to ass. Omigod, it was the best. I was so completely relaxed in the back.

Dean pushed my head to the floor and pulled my knees up so my butt was as high as it could reach into the air. Then—he licked my tooter. I thought I would freak out about someone licking my toot, but it was the best feeling in the world. I didn't even care if it was dirty!

"Omigod," I gasped. "I'm so ready for your cock."

He nudged the tip in. My butt felt tight, for real, but he slid right in, easy as pie. I just *wanted* it. I rocked my hips, pulling him in deeper. My insides just, like, *blossomed*.

Dean grabbed my hair and pulled. He started pumping faster.

"Don't stop," I gasped.

I bucked, bit my lip.

Omigod, he felt good. His cock was touching something in me I never knew existed.

"Keep going," I moaned. "I'm gonna come in my ass!"

Dean pulled harder on my hair and pushed his dick in as deep as it would go. I was ready to explode. I clenched my teeth.

"I'm coming!" I huffed. "Come come come come YESSS!"

You guys. I have to tell you. Coming in your ass—it's the *most* intimate. Finally I have the deep relationship that was missing from my life. I think I might be in love!

Don't worry—I'm not going to try to rush and get married or anything crazy like that. LOL! I still have college to finish, and my future career, not to mention my besties Tracy and Trent. Plus I know there's more to come, and I don't want to miss any of it. I can't wait to see what happens next! ★

DIANA

wild inside

Howdy! It's Stacy the intern. Shy little college freshman Diana shocked the pants off me!

Hey, Diana! Why did you decide to pose nude?

I think I went temporarily insane! I'm *really* shy around cameras. There's only one picture of me in my entire high school yearbook, and it's *horrible*.

So it must have been *extra* hard to take your clothes off in front of a camera.

At first, yes, but I just kept going, and then it got easier, and then it actually got fun.

What did you like best about posing?

I liked having all eyes on me. I didn't get a lot of attention from guys in high school.

Did you have *any* sex in high school?

Oh, I had tons of sex. I mean, guys didn't stare or make comments like with other girls. I was basically invisible.

So how did you hook up with guys?

I told them I wanted to hook up with them.

I thought you were shy!

Camera shy. But when I want sex, I want it. I can't wait around forever.

Diana, I'm shocked! Are you aggressive in bed, too?

No. Once I get a guy, I want him to take charge.

What's your favorite way to have sex?

I love when it's, like, *urgent*. You know, when the guy can't wait to fuck you, so he just yanks your panties to the side and sticks his cock in. I come so fast!

Do you like to suck cock?

I like rough BJs, the kind where they fuck your mouth.

Do you swallow?

Of course! Their cock is already jammed down my throat. LOL!

Have you ever done anal?

I *always* do anal. I love it!

What do you love about it?

I love that, even if the guy is gentle, there's nothing gentle about it. I mean, it *can't* be gentle. There's a cock in your ass, splitting you in half! It's awesome.

Maybe you didn't get a lot of attention from guys in high school, but I have a feeling you're going to get tons of it from now on.

Good, 'cause I'm ready! ★

FAWNA

never too old

Hey, it's Lindsey. College freshman Fawna totally stepped out of another time—she loves pinup girls, she listens to jazz, and she doesn't believe in sex before marriage. Just kidding about that last part!

Fawna, do you really wish you lived in, like, the 1940s?

Not at all. I appreciate technology and things like that. I just think people used to have better style in the old days.

Who's your style icon?

I *adore* Rita Hayworth. She had gorgeous red hair, an incredible body, a beautiful face. She was sexy, but not in a trappy way.

Some people might say that posing naked and showing your cooch is kind of a trappy thing to do.

I don't agree. That's one of the great things about living in these times—you can be a sexual woman and love your body, and it's accepted. But there's no need to go around dressed like a prostitute. Save the nudity for the right time.

Like now.

Yes! I *love* posing nude. I feel glamorous and desirable.

Does it turn you on?

I do feel that tingle, yes. If I had a boyfriend, I would definitely be giving him a call right after you leave.

I guess you'll have to masturbate instead.

I already have it planned! A nice long bath, Peggy Lee playing on my stereo, and a DO NOT DISTURB sign on the door.

You sound like a masturbation expert.

Well, I have lots of practice. I haven't had a gentleman friend in a while.

What kind of guy are you looking for?

Someone who will watch old movies with me and slow dance naked to Frank Sinatra and take charge in bed and fuck me for hours.

Good luck finding a guy your age who likes to slow dance!

I'm not looking for a guy my age. I like my men like I like my movies. ;) ★

KIMBERLY KISS

on the loose

Hey, it's Lindsey. We haven't seen porn cutie Kimberly since August 2010—and a *lot* can happen in two years.

So, Kimberly, I hear you've been a busy little beaver.

Yes, I have! I thought I'd be shooting less by now, but it's the opposite. I guess 20 isn't too old! LOL!

Are you still with the same boyfriend?

No. It came down to a choice between him and my career, and I chose career.

Are you sad?

At first I was, but then I was like, Now I can do anything I want!

Like what?

For one thing, I never used to hook up with girls when I was with him, but now I do all the time. Girls are hot!

I could have told you that! What's your hottest time with a girl so far?

Probably when me and a girlfriend hooked up with this random guy and sucked his cock together. We made him *lose his mind*.

Okay, first of all—you were in a threesome?

I know, I was shocked myself. I used to be so monogamous.

Also, you never sucked any cock before except your boyfriend's!

Well, he's gone now, so I can suck a million cocks if I feel like it.

Do you swallow?

Yes. Nothing is off limits anymore. Except maybe my butt.

What's the wildest thing you've done since being single?

I was with two guys and I had a cock in my pussy and a cock in my mouth at the same time. So amazing. I could definitely get spoiled by that!

Is it safe to say you're not looking for another boyfriend?

Not right now. I may be older, but I'm way too young to settle down. ★

BARELY LEGAL BOX OFFICE

We girls at BARELY LEGAL think the best person to judge the realness and hotness of a legal-teen video is a real, hot legal teen. Here to review our latest release is this month's guest critic, Kimberly Kiss.

How is Eden supposed to find Isis's clit through all that bush?

Tori and Bobbi make the real Dykes on Bikes look like *dudes*.

LAME, BUT BETTER THAN DOING HOMEWORK.

GOOD ENOUGH TO COME WITH THE HELP OF A FINGER.

DECENT, BUT FORGETTABLE, LIKE DRUNKEN MACKING WITH A CUTE STRANGER.

THE BARELY LEGAL BOMB!

DON'T TRIM THAT BUSH!

HUSTLER Video. Starring: Lexi Belle, Raylene, Eden Adams, Isis Taylor, Nikki Benz, Tori Black, Bobbi Starr, Lee Stone, Bill Bailey, and Otto Bauer.

I keep my cooch bald by choice, 'cause I like the way it feels, but I do enjoy *looking* at furry pussies. They're pretty! So, I was super excited to review *Don't Trim That Bush!*—and then I popped the DVD in. All the girls HAVE trimmed bushes! Are the filmmakers trying to see if we're paying attention? LOL! Oh well, it's cool—I could see their pussies getting nibbled and jizzed on better without a lot of pubes in the way. Raylene growls like a furry beast the whole time Lee Stone licks her hole. When he fucks her, she switches to screaming her head off. My laptop speakers will never be the same! Nikki Benz is even louder than Raylene. She yells the F-word like a thousand times while Otto Bauer pounds her doggy-style. Nikki thrashes around on his cock so hard, I don't know how he could last more than 30 seconds! She fucks as good as a *guy*. But honestly? I'd rather have Lexi Belle's moves. I swear her hips are made of rubber! Lexi is so cute—she squeaks like a chipmunk while Bill Bailey bones her, and when he soaks her teeny bush with cum it looks like a little frosted cupcake. My fave scenes in this movie are the two lezzie ones, 'cause I'm kinda into girls now. (Better late than never!) Isis Taylor actually makes Eden Adams's legs shake using only her pussy-licking skills. Bobbi Starr has the furriest bush in the whole movie, but it's hard to see it 'cause it's mostly in Tori Black's mouth. Tori seems to think it's delicious, so maybe I need to graduate from looking at furry coochies to tasting them. :) Anyway, if you like unshaved pussies, I recommend this movie. The girls aren't *super* hairy, but they're all superhot—and a little bit o' bush is better than none!

To order your copy, please go to page 102.

Nikki protects her boobs.

Lexi Belle?
More like
Flexi Belle!

Lexi's in looove.

In space *everyone*
can hear Raylene scream.

RILEY REID

truly scrumptious

Hello! Stacy the intern here with my new biggest crush of all time, up-and-coming porn starlet Riley!

Where are your clothes, young lady?

LOL! I couldn't wait to take them off. I almost never wear clothes when I'm home.

Do you walk around totally naked?

Sometimes, but mostly I dance around in my underwear. That's how I keep in shape.

You are in awesome shape. What do you think is your best feature? Your tight heinie? Your perfect little titties?

My dimple.

What made you decide to go into porn?

I've always been kinky, even before I did any porn. It just felt natural to do it.

You never feel shy fucking on camera?

Never. Half the time I don't even remember it's there!

Do you ever have a day where you just don't feel like having sex?

Hasn't happened yet! I have a very high sex drive. I'm horny all the time. Honestly, I have the perfect job.

Is there any downside to working in the industry?

Not for me. I'm having a great time. I love the people. Everybody's open-minded and supportive. I never do anything I don't feel comfortable doing.

Like what?

Like anal.

Because it's too rough?

No, it's not that. I like rough stuff. One time I let a girl put a clothespin on my clit! It definitely hurt, but it felt good, too.

A girl? Does this mean you're bi, I hope, I hope?

LOL! Yes, I love to worship girls' bodies. Guys', too.

How do you worship them?

By giving them amazing head and satisfying them completely. ---➔

Do you like getting head, too?

I love it. I love squirting in their mouth when I come and watching them lick it up.

I would lick it up!

You would love it, too. I taste good!

Do you think jizz tastes good?

It tastes like nothing else on earth. I crave it sometimes.

When you're a porn star, is your whole life sex?

LOL! No, I do lots of unsexy things—go to the beach, shop, hang out with my family, play with my dog, Kilo. He's my furry little snuggle buddy.

Do you have a human snuggle buddy?

Not at the moment. It's not the right time. I mean, if an awesome guy comes along who's okay with what I do, then...*maybe*.

You wouldn't give up porn for love?

I love me and I love what I do. That's all I need! ★
